

# SUPERMAN WAS A FOSTER CHILD

Luckily you don't need superpowers to be a great foster parent!

There's a critical need for foster homes in Wayne and Oakland counties.

Vista Maria wants to ensure there's a great foster home for every child in need and you can help.

## ▶ BECOME A FOSTER PARENT

If you've ever thought about fostering, think about it again.

- ▶ Contact Vista Maria today.

The child you foster probably won't be a superhero but they may be a future teacher or doctor - a real hero to someone else.

## ▶ HELP RECRUIT

Your help is needed to recruit homes in your community. Here's what you can do:

1. **Community Group/Neighborhood:** Host a FosterWare Party or get-together for friends and neighbors who want to learn more. We'll provide the food and the experts!
2. **Schools:** Pre-schools to colleges and anywhere in between. School-based outreach means great support networks once parents are licensed.
3. **Faith Community:** Contact us to learn more about the faith-based movement in southeast Michigan to support foster children.
4. **Contact us** - we want to hear your ideas!
